1 MS. HOLMES: Okay.

2 MS. HASKINS: Number 31, same objection as Number 30. It's about an electrical panel in the cafeteria stockroom. It doesn't say anything about lead or asbestos.

3 MR. WIGGINS: Okay. Then your motion is granted. Next?

4 MS. HASKINS: Okay. Number 33 says --

5 I'm sorry. Number 32 says the hazard is a chemical information list that was never submitted for the school and equipment. It doesn't say anything about lead or asbestos. I object to Number 32 as well.

6 MR. WIGGINS: Okay. It is granted.

7 Your next document Ms. Williams? And, please, provide us with documents that are relevant to the issue we're here today dealing with, the issue of whether or not there was some lead hazard that was being ignored and information that you provided to the public, and not about every problem that you may have

1 discovered with the school system's facilities. I'm not here for that. Okay?

2 MS. WILLIAMS: Maybe I misunderstood the charges, sir, but I thought it said in regard to other issues of health concerns, so I was thinking health concern would include more than lead and asbestos, but I can just focus on those two.

3 MR. WIGGINS: You're right, but the CEO did not put on any evidence for anything else but for the issue dealing with the lead. So they wouldn't be able to establish something else outside of that issue at this point in time. So I merely need for you to respond to what their presentation was earlier.

4 MS. WILLIAMS: Okay. All right. Thank you. On 3-16-98, as a result of, again, a staff person at Southeast Middle informing me that another individual that she had encountered at a meeting in Highlandtown noticed that the school was in terrible condition -- and, in fact, she

2 I tried to make notes on some of them exactly where I wanted you to see in regard to the lead and/or asbestos hazard, but, again, my attempt was to show that I wasn't just erroneously making statements and I could validate it with facts in evidence.

3 MR. WIGGINS: Okay. Do you have any further testimony?

4 MR. ARRES: I have a question.

5 MR. WIGGINS: Okay.

6 MR. ARRES: Ms. Williams, the documents that you have presented or had admitted into evidence from Fairmount-Hartford, do you feel as though they refute anything concerning Fairmount-Hartford from the charges that have been lodged against you?

7 MS. WILLIAMS: I certainly feel that there was certainly a health hazard in terms of lead and asbestos, which is certainly documented

Page 241

1 wanted me to investigate it, but I said well, let me, again, send a letter of complaint to MOSH prior to going out there myself.

2 MR. WIGGINS: Was Highlandtown raised on direct, Ms. Haskins?

3 MS. HASKINS: No, sir.

4 MS. WILLIAMS: It wasn't one of the schools?

5 MR. WIGGINS: Is Highlandtown listed in the statement of charges?

6 MS. HASKINS: No, sir.

7 MR. WIGGINS: Okay.

8 MS. WILLIAMS: It's not mentioned?

9 MR. WIGGINS: Don't cover Highlandtown then.

10 MS. WILLIAMS: All right. Sorry. It was my attempt, in each of the documentations here, to refute the charges by showing that I just didn't erroneously make statements, but they could be validated through the documentations. Although I didn't get a chance to go
